WHAT IS CHURCH TRAINER?

Church Trainer is a ministry that exists to equip and encourage ministers. We create resources for kingdom building as well as provide training opportunities.

We fulfill our mission to equip and encourage through:

- Ministry Training Seminars and Conferences
- Formula 12
- Bows and Arrows (Mentoring)
- Consulting and Coaching
- Ministry Resources

FORMULA 12

Formula 12 is a twelve-month training program that can either be taken **ONLINE** or in a live classroom with an instructor. In order to do the live classroom, we have a minimum requirement of 12 churches participating. Each monthly session is approximately 90 minutes. Please consult our Formula 12 Brochure for more details on the Formula 12 twelve-month training program.

BOWS AND ARROWS

Bows and Arrows is a two-day mentoring experience designed to start a mentoring process in your region. Bows are the older generation called upon by the Lord to guide the arrows, the younger generation (Psalm 127). In order to participate in Bows and Arrows, each individual must come with a person from another generation. No one is allowed to attend alone. We will deal with subjects such as passing the torch of ministry, succession planning, mentoring, running together, and much more. Each session in this two-day-round-table-experience will offer a 45 minute presentation complete with handouts. At the end of the presentation, the table will have a 45 minute discussion on what they just heard. Before the conference is over, each generational team will make a covenant to connect once a month for the next year. The goal of this conference is to raise up a new generation of ministers from our sons and daughters.

MINISTRY RESOURCES

Our website, ChurchTrainer.com, has all of our resources for pastors and churches. We also have a section of free resources which can be downloaded. We are creating new resource products all the time and most of them can either be downloaded or offered on a USB flash drive. We offer training programs such as: setting up small groups, student ministries, elders, deacons, music ministry, hiring staff and much more. Check out our full line of resources at ChurchTrainer.com.
