The Formula of Life Giving Worship Services

The Formula of Life Giving Worship

The 10 Responses

There is something special about a worship service that engages everyone, has passionate moments of worship and leads people to a deeper relationship with Christ.

By understanding the *Formula of Life Giving Worship* and building a worship service that targets *The 10 Responses* you want from attendees, your church will experience services like that every week.

Imagine Attending A Worship Service Without Life

- Unfriendly People
- The environment is dated
- People seem frantic and unprepared
- The start time is different each week
- The sound is terrible and the voices are worse
- Seems to be no order to the service
- Announcements are so long I have become bored
- They care a lot about money, the first sermon was on giving
- They asked guests to raise their hand which is uncomfortable
- The Pastor is very intelligent but way over my head
- The sermon is so long
- I would get involved but I'm not sure how

Every worship experience should help attendees believe and understand John 10:10.

“The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.”

The everyday struggles of life give:

- Frustration
- Loneliness
- Purposelessness

Life Giving Worship Experiences give:

- Peace & Joy
- A loving community
- Connection to our purpose

First Step To Life Giving Worship

The road to life giving worship services begins by asking the question, “Why do we do the things we do?”

For most churches, the answer is not tied to a goal or purpose but tradition.

Too many of us are working on ‘inherited’ models instead of one that sees the most lives transformed.

Relieving Tension

It is a false notion that you have to choose between growing believers and reaching nonbelievers. Both goals can be accomplished by creating intentional environments for both.

“And I, brethren, when I came to you, did not come with excellence of speech or of wisdom declaring to you the mystery of God. For I determined not to know anything among you except Jesus Christ and Him crucified. However, we speak wisdom among those who are mature...”

-1 Corinthians 2:1-2; 6

Worship Service Win

The 'win' for any worship service is the level of response from the attendees. Unfortunately, many churches are not aware that there is more than one response that contributes to a worship service win.

Every church should prepare and execute with the goal of meeting the following **10 Targeted Responses for Life Giving Worship**.
